President's Message

On behalf of Heidelberg United, it gives me great pleasure to welcome everyone to Olympic Village for this afternoon's great derby against arch rivals and sister club South Melbourne. These games are traditionally the biggest and the best and this afternoon is no exception.

This afternoon's game also takes on a greater significance because the winner will receive the inaugural "Demetria Cup". This will complement the Antipodes Cup which is played during the second round fixture of the season between two great clubs. The cup is sponsored by the Pan Macedonian Association of Melbourne & Victoria and we sincerely thank them for their great contribution. The Demetria Cup will be played during the first round fixture of the season so to both teams the best of luck.

I would also like to take this opportunity to welcome our VIP Guests to this afternoon's match and in particular, a special welcome to His Worship The Mayor of Heidelberg Cr. Hector Davis.

As I have mentioned previously, for the first time next year, our club is officially sponsoring the Heidelberg Festival. As part of our involvement in the festival, the club will be organising a number of activities to coincide with Festival Week (20th - 28th March, 1993) so we urge all our supporters to strongly support next year's festival and the large number of activities that will make up festival week.

I would also like to once again thank all our sponsors for their continued and loyal support. In particular I would send a special thanks to our major sponsors in Souther Motors and particularly Mr George Kotses. Their support is second to none and we look forward to it continuing in the future.

Yours in Soccer

Peter Tsaklis.
